Easter Sunday

If we think that things are not going to change, we need to recall that Jesus Christ has triumphed over sin and death and is now almighty. Jesus Christ truly lives. Today we celebrate the real historical event of the resurrection. Faith teaches us that just as Christ was raised from the dead so too God will raise us up on the last day, but it is also true that we have already risen with Christ. Our prayer then is that we want to know more of Christ and more of the power of the resurrection life. Christ's Resurrection is a vital power which has permeated our world. Where all seems to be dead, signs of the resurrection suddenly spring up. It is an irresistible force of goodness, grace and blessing. Jesus Christ is risen today alleluia!

Heavenly Father, strengthened in faith, renewed in hope and filled with new joy and confidence may I be an authentic witness of the resurrection.

Easter Blessings

May the Peace and Joy of the Risen Lord renew each of us, so that we may grow in love, care and friendship for each other as we face new economic challenges in our Lives and Parish this Easter.

Trocaire boxes to be handed in at all Masses.
It would be a great help if the money could be converted into notes before returning it to The Sacristy.
