A new European Data Protection law, the General Data Protection Regulation ("GDPR"), has been introduced on 25 May 2018. This new law applies to any organisation, including our parish that manages and processes people's personal information. We are now working on ways of ensuring that what we do with your information is compliant with this new law. It is a work in progress and over the next few months we will keep you informed through the parish website and in the newsletter as policies are put in place."
